

It's time to renew your membership...

Memberships are due to expire on 31st August. We have some exciting new events on the calendar for the coming season which are outlined in this newsletter.

Membership renewals have been sent out via email. There are various options to pay your membership including by credit card, monthly instalments, etc. To discuss these and other options, contact Vicki in the club office who'll be happy to talk you through them.

The club looks forward to seeing you back for the 2018-19 season.

Midweek Ladies

- **Lead In Interclub (Monday or Tuesday). Starts October. Entries now open. Enter via club website (see Important Notices).**
- **Thursday Morning Club Play. Pop in and enjoy some great tennis followed by a coffee and a catch up. Bring a friend – they can attend up to 3 times for free.**
- **Once a month coaching sessions on the first Thursday of the month are included as part of the mid-week program and provide the opportunity to improve our game. The emphasis is on improving individuals' skills and giving players confidence to play with a variety of partners and against opposition with a range of styles. Coaching sessions are also sometimes organised for a Tuesday morning if there is no Interclub.**

From the Committee

At our first committee meeting in July all committee and sub committee roles and responsibilities were established and a Club Organisation Chart is being produced and about to be circulated to members as well as being displayed on the website and noticeboard. Special thanks go out to those non committee members who have kindly volunteered their services.

New website

It was agreed that our current Club website is outdated and does little to promote the Club. Vicki and Brian have volunteered to design a draft new website plan which will incorporate the Pay2Play online court booking system and website software.

Marketing & Promotion

In an attempt to bolster membership the membership enquiry package is to be reintroduced and include a 1 page document detailing the Club's numerous awards and achievements. These packages will be displayed in the clubrooms and given to the coaching staff, Squash and our clubroom tenant Body Physio to hand out when approached by prospective new members.

Court Lighting

The committee acknowledges the current sub standard lighting on courts 1 – 4 and has given an urgent priority to improving the lighting and gaining a funding grant for both the lighting and installation.

Funding & Sponsorship

The club recently received a funding grant for the children's low court nets and has sent or about to submit applications for coaching, administrative salary, nets (replacing court 3) and the above mentioned lighting.

Very pleased to advise that our Caro Bowl sponsor Honda has renewed their valued sponsorship for another year. Our thanks to Peter Ashley.

Formation of a Governance Sub Committee

As a result of the high annual amount that Tennis and Squash Clubs equally contribute to the facility running costs it was agreed a couple of months ago that a Governance sub committee be established to look at ways to bolster income, promote our wonderful facility, reduce debt and recommend cost savings options. At present they are brainstorming and researching various options and in due course will report back to the Squash and Tennis Club members via their respective committees. Nick Deftereos and Neil Prime represent CBTC whilst dual club members Mike Frankle and Colin Davies represent the Squash Club.

In concluding the committee would like to wish all members an enjoyable and injury free summer of tennis.
